

## James Lake

On Saturday, March 13th 10 of us headed out to Adam lake south of Brandon- Sue, Rick, Di, Kelly, Michele, Kelsey, Betty Ann, Darrell, Aaron and Janine. We started the hike around 2 PM And finished just after five. The hike was 11.5 km of rolling Hills, slush/ice, dry spots and some mud. We Enjoyed a rest and a snack at James lake cabin.

The two dogs Spirit and Agnes kept us entertained with their playing and frolicking on the way back. Spirit was teaching us all how to do downward dog. It was a beautiful day and so warm that Sue was in a sleeveless shirt for a while!

Thanks again everyone for coming!
