

Impromptu Kayak Event on Assiniboine River September 22, 2025

It was a beautiful calm, first day of fall evening for our impromptu paddle on the Assiniboine River launching from the Patterson Crescent boat launch. Wendy, Lorne, Brian, Sue and Rick, Dennis and new member Tara enjoyed a relaxing 5.5 km paddle from the boat launch upstream to the 18th Street Bridge and back. The water was as smooth as glass.

There was much interest in Tara's Pakayak quick assembly 5-piece kayak that packs down into a bag the size of a hockey bag!

Welcome to the WWC Tara!
