

On Saturday, July 16th 10 of us ventured down to Snake Creek in Big Valley. It was the perfect day for walking in the water!! Jane, Norm, Kelly, Michele, Brent, Maureen, Trudy, Lynn, Darrell and Betty thoroughly enjoyed the scenery, layers of rock and the opportunity to cool off in sometimes deeper water than we expected! Following the hike we enjoyed a potluck at Pettinger's cabin at Kerrs Lake and then a pontoon boat ride.

Thanks!

Kelly and Michele
