

## Gravel Roads History Tour

On August 16, Betty Ann, Darrell, Michelle, Kelly, Jeremy, Matthew, Aaron, Magdie, Robert, and Audrey gathered at Patterson Lake to begin a loop around the historic sites in the area. Much later, all ten intrepid bikers returned unharmed to the starting point.

Our first stop was at St. John Cantius Catholic church. We wandered around the church and cemetery before pedaling on to our next stop, the budda.

We paused again at Olha and had ice cream at the general store and then crossed the road to investigate the church. It was locked, but the bell tower was open. The bell was tested and found to be in good working order.

After a long-ish stretch of hilly back roads, we had lunch at Marconi School.

We made one final stop, at the mass grave, before returning to Patterson Lake. It had been a day of fine weather, excellent company, and good riding.
