

6th Annual Whine & Cheese Hike Saturday, May 28, 2022

After a previous postponement because of the weather, we accomplished our annual whine & cheese hike to the Devil's Punch Bowl on Saturday with a team of 5 people & 2 dogs...

Arron, Clarke, Di, Rick, Sue & 4-leggeds Agnes & Spirit.

It was an ideal day for hiking- the rain held off, and just when we would comment that we were getting warm, a lovely breeze would cool us off.

We kept a brisk pace, but not so fast that we didn't stop to enjoy our surroundings. It had been a few years since Arron & Clarke had done the hike, so it was enjoyable seeing things through their fresh eyes.

We reflected on how fortunate we are to have the Spirit Sands and other Spruce Woods trails so accessible.

We started at 10:30 and finished at 2:30- a great way to spend 4 hours on a Saturday!

Ice wine & cheeses were enjoyed with lunch, in moderation of course.

Chocolate was also consumed, 'though with a little less concern about moderation.

Clarke entertained us at lunch with a fashion show, modelling the latest trends in backpacking clothing...

Note the bold lines of his skirt, complementing the unique blend of textures in the rest of his attire.

Absolutely stunning.
