

CANADA DAY 2026

Wednesday, July 1 Bike Ride

What looked potentially like a poor day weather-wise turned out to be a great day for our Annual Westman Wilderness Club Bike Ride around the City of Brandon. The rain held off and it wasn't too windy to enjoy our outing!

11 bike enthusiasts (Jason, Lorne, Doug, Sabine, Di, Judy, Shelley, Steffany, Matthew, Rick & Sue) met at the Riverbank Discovery Centre for a leisurely bike ride around the city- approximately 26k.

The 11 were soon joined by James & Olwen bringing our number to 13.

As is our custom, we enjoyed a break/pit stop at Crow's General Store where we had some tough decisions to make... what flavour ice cream does everyone want, where to take our group photo, who was carrying on to the Riverbank & who was going directly home.

After everything was sorted out we returned to the Discovery Centre, getting there at about 10:30 am, allowing everyone the rest of the day to continue celebrating our great county in their own ways!

A great outing with great people! Thanks to all who participated & special thanks to James for all the great pictures, which can be found at: <https://photos.app.goo.gl/UBnnNZRo5frBCDs9>
