

WINTER CAMP – FEBRUARY 3 – 5

It was beautiful weather for a mid-winter camp. Clarke had set up the night before, but Judy, Di and Spirit set up on the Friday afternoon. After a short snowshoe from Roger and Cheryl's cabin just outside of Riding Mountain Park, we reached our usual camp spot which Clarke had already packed down for us!

Saturday morning, Kari and Michael joined us for a snowshoe out to Katherine lake. Cheryl and Roger also joined us for our pre-excursion hot chocolate and Judy's freshly baked cookies (in Di's oven on her woodstove).

Clarke and Di spent another night at camp – and enjoyed a beautiful 'almost' moonlit snowshoe out to Lake Katherine.

We packed up camp Sunday morning – hauling our stuff back to our vehicles.

Thanks to all who participated – and hoping others will join us in the future!
