

Winter Camp 2018 happened Feb 1 & 2nd, with Roger, Di & Clarke on Thursday & Friday nights. Clarke's tent & stove, complete with oven, were a nice addition to the event. Especially, since Clarke baked brownies on Friday!! Cheryl & Suki arrived Friday but they opted for the cabin only snowshoeing out Saturday morning in time to meet Clarke as he was leaving. Suki (future winter camper!) spent at least half an hour melting snow in a pot on the stove over and over!
